

## **Social Circle Program Specifics**

ALL's Social Circle is a free membership based Social Club offered to adults on the autism spectrum (ages 17-32) in the state of Arizona. The Social Circle provides free monthly community events for its members to encourage social inclusion, interaction and friendship based social skills. The Social Circle provides a safe space for young adults to feel free to be and express themselves while cultivating new friendships and enjoying new experiences. The Social Circle is a social club built on understanding, acceptance and fun!

- The Social Circle provides events all over the greater Phoenix metropolitan area including Peoria, Scottsdale, Surprise, Glendale and more.
- The Social Circle plans events related to festivals, sporting events, concerts and live performances, team building activities, the visual arts, attractions, cinema and other community based events.
- The Social circle provides events free to its registered members and will cover the costs of a single parent or caregiver if the member requires support or assistance while out in the community. The Social Circle does not currently offer free services for entire families or multiple participants.
- The Social Circle is recommended for young adults that are motivated to create friendships, be social, participate in different conversations and activities and learn new skills.
- The Social Circle currently provides services for individuals that fall into 2 categories: Those that do not require support when out in the community and those that require substantial support. At this time our services are not appropriate for those that require very substantial support. Contact us if you need further clarification.

If you are interested in registering for any of our services visit: [ALL's Programs](#)
